CONTRACTORS NOTICE FOR SHUTDOWN PERIOD

Ref: N186

6 December 2016

Dear Resident/Owner

Please be advised that the Estate will close to all construction and deliveries from **FRIDAY 9th December 2016 to MONDAY 9th of January 2017**, and all construction sites will be cleaned and all rubble removed for the festive season.

All sites must be fenced off with netting to prevent unwanted access to your site and to prevent children playing on the site.

Please make sure that there are no water leaks and that the sites are secure and all tools and equipment are safely stored away. Any sand that is left must be covered with netting to prevent sand blowing all over the Estate.

The estate security will be instructed to do patrols around all construction sites to check that all is in order on your site. Please check with security that they have your correct contact details for any emergency.

Please contact the Estate Manager, Barry Oberholster, on 554 2704, 084 523 5655 or duneridge@telkomsa.net should you have any queries.

Yours sincerely

Yvonne Green
