### ANNUAL GENERAL MEETING OUTCOME 2017

---

N201

24 November 2017

Dear Residents/Owners

In advance of supplying the Minutes of this year's Annual General Meeting (held on Wednesday 22nd November 2017), in the interim, we have been requested by the Board of Trustees of the Dune Ridge Estate Home Owners Association to update you on the following key item that were discussed at the AGM:

#### **1. FIBRE TO THE HOME – OUTCOME AT THE AGM**

A unanimous decision was taken that two principals were non-negotiable going forward. Whichever system will be installed, should be an open access system, where residents will be able to decide which internet service provider (ISP) to use. Secondly the HOA should not incur any cost in the installation process of either an active or passive network. The Trustees now have the mandate to procure the best available system complying with the above-mentioned criteria. The process will be prioritized.

The Trustees thank all the owners who attended the AGM and look forward to the next Financial Year.

Yours sincerely

Yvonne Green
