NOTICE TO ALL RESIDENTS

N202

11 December 2017

Dear Residents/Owners

RE: CITY OF CAPE TOWN – INTERRUPTION TO ELECTRICITY SUPPLY

The electricity supply to Big Bay, will be interrupted on Wednesday, 13 December 2017 from 07:00 to 17:00. The interruption is required for essential switchgear maintenance.

All residents are advised to treat all electricity installations as live for the full duration of the interruption as the electricity supply may be restored at the time with out warning.

Please put your Geyser Switch in the "Off" position when the electricity goes off and switch it on again 1 hour after the electricity is restored, This will prevent unwanted tripping that may prolong your inconvenience. Please be aware that besides the "Weather Permitting" other factors could postpone work.

Yours sincerely

Yvonne Green
