### DUNE RIDGE ESTATE – FIBRE TO THE HOME UPDATE

---

Ref: N218

8 May 2018

Dear Resident/Owner

On behalf of the Board of Trustees and Estate Management, we forward the following update:

We are pleased to advise that Octotel have completed this project and the fibre is now "lit" in Dune Ridge Estate.

The fibre optic cable will offer faster and more reliable internet connectivity.

As we have now put the fibre backbone in place, it is up to each household to contact, negotiate and contract with the Internet Service Provider (ISP) of your choice. Each homeowner can now appoint their selected ISP to best serve your individual needs.

Attached a document from Octotel for your info.

Yours sincerely

*Yvonne Green*
