### DUNE RIDGE ESTATE – ISP's UPDATE

---

Ref: N219

21 May 2018

Dear Resident/Owner

On behalf of the Trustees and Estate Management, we update you as follows:

As an added-value to all Dune Ridge Residents, following the installation of fibre optic cable to our Estate, Octotel has arranged a Meet-and-Greet with all the major Internet Service Providers (ISPs) in our area, in order to facilitate residents' choice in terms of ISP's.

This has been organised for **Saturday, 9th June 2018, from 9:00 – 13:00**. The individual ISPs will be available in **Silversands Close** where residents can meet them on a free-flow basis (no appointments need to be arranged ahead of time). Data package options will be explained, and residents can then make an informed decision on who they would each individually like to contract with as their chosen ISP.

Yours sincerely

*Yvonne Green*
