NOTICE TO ALL RESIDENTS – WATER PRESSURE UPDATE

Ref: N222

26 July 2018

Dear Resident/Owner

RE: WATER PRESSURE UPDATE

We have been requested by the Board of Trustees of Dune Ridge Estate Home Owners Association to inform you below:

Following the low water pressure issues earlier in the year during the height of the drought crisis, the HOA is still receiving sporadic reports of low water pressure problems.

Please forward any issues that you might still have regarding water pressure, whether it is very low water pressure or no water pressure at all. If you have fitted a booster pump to your property to remedy this situation, then please make us aware of this too.

Please reply to [**info@capeclass.co.za**](mailto:info@capeclass.co.za)

This information will be collated and forwarded to the local Ward Councillor.

The Trustees thank you for your assistance in this matter.

Yours sincerely

Yvonne Green
