VEHICLE TAG INFORMATION REQUEST

Ref: N226

21 September 2018

Dear Resident/Owner

RE: VEHICLE TAG INFORMATION REQUEST – FINAL REMINDER

On behalf of the Trustees and Estate Management, we would like to request all residents again to complete the attached information to register all vehicle tags currently in use by each household.

As part of the new security upgrade project, we are reviewing all vehicle tags and updating the information to the new system.

In order to ensure that only active tags remain on the system and are allowed access through our "Residents" gate, please send through your information for all drivers and active tags by no later than **FRIDAY 28 September**.

All tags not registered by this date will be de-activated to ensure all information is up to date and that security remains our priority in allowing only registered vehicles access through tags. Additional tags may be purchased from Barry Oberholster, Estate Manager, at a cost of R120 each.

For convenience, there are two forms – one which can be printed, completed and returned to Barry in person, and the other to be completed electronically and emailed to Barry on barry@duneridgebigbay.co.za.

We thank you for your support and urgent attention to this security project.

Yours sincerely

A handwritten signature in cursive script that reads "Yvonne Green".
