## PELLET/PAINT BALL + SIMILAR GUNS ON THE ESTATE

---

Ref: N233

13 December 2018

Dear Resident / Owner

We have been requested by the Board of Trustees to forward the following for your urgent attention:

*It has come to our attention that some children are using either a pellet gun or paint ball gun to shoot at a target from a balcony onto a green belt. For their safety and the safety of other residents we remind everyone that no firearms of any sort may be used on the estate.*

*We request that parents remind their children of the rule and encourage safe practice during the festive season.*

*For their safety and the safety of other residents and pets, we remind everyone that no firearms of any sort may be used on the estate.*

We thank you for your co-operation and understanding in this serious matter.

Yours sincerely

Yvonne Green
